

**APPLIED ENGINEERING, INC. (Seller), AND
AVIATION MANUFACTURING GROUP, DBA THE FREEMAN COMPANY (Seller),
STANDARD TERMS AND CONDITIONS**

1. **Precedent.** The sale by Seller to Buyer of the goods specified on the face hereof (the “Goods”) shall be governed exclusively by the terms on the face hereof and these Terms and Conditions, which together shall constitute the entire agreement between Buyer and Seller with respect to the Goods (the “Contract”). The Contract specifically supersedes, takes precedence over, and fully replaces any terms and conditions which may be included in any purchase order received from Buyer for the Goods or in any other communication, oral or written, between Buyer and Seller. Acceptance of Buyer’s purchase order is expressly conditioned on Buyer’s assent to the terms and conditions set forth herein. Seller expressly rejects any different or additional terms. Buyer’s acceptance of the Goods constitutes acceptance of these terms and conditions. The Contract may be modified only by a written amendment executed by Buyer and Seller.
2. **Pricing and Payment.** Prices for the Goods shall be as specified on the face hereof. Seller shall submit to Buyer a separate invoice for each lot of the Goods delivered in accordance with the Contract. Buyer shall pay each invoice in U.S. Dollars within the net day terms specified on the face hereof. Alternatively, when Buyer requests no invoice, Buyer shall pay on receipt of the goods.
3. **Breach and Remedies.** The time within which Buyer is to pay for the Goods shall be of the essence of the Contract. Payments not made in accordance with the net day terms specified on the face hereof shall be deemed to be past due on the first (1st) day after expiration of the net term (“past due”). Interest shall accrue at the rate of one and one-half percent (1.5%) per month, or at the highest rate allowed by law (whichever is less), on any payment which becomes past due and shall continue to accrue until the payment is paid in full, including any interest owed. Further, if any payment is past due, Seller reserves the right to stop all further shipments of the Goods and all goods under any other contracts with Buyer (“other contracts”) and seek any and all remedies permitted by law. Buyer’s breach of the Contract shall constitute a breach of any other contracts and, conversely, Buyer’s breach of any other contracts shall constitute a breach of the Contract. Buyer agrees to pay the reasonable collection charges and legal costs and fees, including attorney’s fees, incurred by Seller in collecting any payments past due.
4. **Taxes, etc.** Buyer shall be responsible for:
 - (i) all taxes imposed in the United States by federal, state, municipal, or other governmental entities and all taxes imposed by any foreign governmental entity, including but not limited to sales, use and value-added taxes, except to the extent imposed by taxing authorities in the United States
 - (a) as a result of the dealings, presence or activities of Seller in or its connection to the jurisdiction imposing the tax or
 - (b) based on the income, profits, capital or worth of Seller, provided that taxes included in the foregoing exception (whether (a) or (b)) shall not relate to the sales transaction under the Contractor Buyer’s dealings, activities or presence in the taxing jurisdiction or the location, operation or transportation of the Goods in or into such jurisdiction.
 - (ii) all customs, export and import duties, and other charges applicable to the Goods

5. **Delivery; Risk of Loss.** Delivery dates are approximate only. Buyer acknowledges and understands the dates provided are estimates and do not represent a firm delivery commitment. Delivery of the Goods shall be EXW (N.Y. UCC) Seller's premises, in the case of "domestic sales" (where Buyer's headquarters and principal base of operations are located in the U.S.A. and the Goods are not for export), and EXW (Incoterms 2020) Seller's premises with Seller to bear risk and expense of loading, in the case of "international sales" (where Buyer's headquarters or principal base of operations is located in a country other than the U.S.A. or the Goods are for export). All risk of loss of or damage to the Goods shall pass to Buyer as soon as the Goods are delivered to the carrier at Seller's factory. The foregoing shipping terms shall have the meanings set forth in the New York Uniform Commercial Code for domestic sales ("UCC") or in Incoterms 2020, as published by the International Chamber of Commerce, for international sales ("Incoterms").
6. **Shipping.** Transportation from Seller's factory shall be at Buyer's sole cost and expense. Buyer shall be responsible for arranging transportation, but upon Buyer's written request, Seller shall make transportation arrangements on Buyer's behalf, in which event methods and route of shipment shall be at the discretion of Seller. If Buyer requests an alternate shipping method or route, then any additional expense of such method or route also shall be borne by Buyer. Seller shall quote prices for insurance and/or freight upon request. Seller
7. Information or Goods provided in connection to this Contract may be subject to restrictions under the Arms Export Control Act (22 USC 2778) and its implementing regulations, the International Traffic in Arms Regulations (22 CFR Part 120), and/or the Export Administration Act of 1979 (50 USC 2401-2420), and its implementing regulations, the Export Administration Regulations (15 CFR, Chapter VII), and all other foreign or U.S. laws and regulations concerning exports. Buyer acknowledges, agrees, and hereby certifies that it will comply with the requirements of these statutes and regulations regarding the protection, disclosure, import, export, and/or transfer of information/data or Goods falling under such laws and regulations. If Buyer improperly discloses such information, Buyer shall indemnify and hold harmless the Seller from all directly applicable and reasonably incurred resulting claims, demands, damages, costs, fines, penalties, attorney's fees and all other expenses.

Should Buyer export any information or Goods provided under these Terms and Conditions, Buyer shall in all events remain responsible for export arrangements including, but not limited to, determining any export license requirements, obtaining any export license or other official authorization, and to carry out any customs formalities for the export of the Goods and agrees to comply with all laws and regulation concerning the use, disposition, re-export and re-sale of the Goods.

Buyer certifies they are not debarred, suspended, or otherwise sanctioned for violations of foreign or U.S. laws and regulations concerning exports.

8. **Title to Goods.** Notwithstanding any provision of these Terms and Conditions, the UCC or Incoterms to the contrary, title to the Goods, and all accessions to or products of the Goods, shall remain with Seller until payment in full of the purchase price of the Goods and any other amounts owing by Buyer in connection with its purchase thereof. To the extent legal title to the Goods shall be deemed by law to pass to Buyer at the time of delivery and prior to performance of all of Buyer's obligations with respect to its purchase of the Goods, equitable title shall remain in Seller until payment in full of such obligations, and Buyer shall grant, and by acceptance of the Goods shall be deemed to have granted, to Seller a first security interest and charge in the Goods to secure payment of such obligations. Seller shall have the right to file in all appropriate jurisdictions a UCC-1 financing statement and/or such other documentation as may be necessary or useful in Seller's judgment to give notice of or perfect its security interest in the Goods.

9. **Confidential Information.** Seller Confidential Information (“Confidential Information”) provided in connection with this Contract, includes but is not limited to all information, whether written or oral, in any form, including without limitation, pricing information, information relating to the research, development, products, methods of manufacture, trade secrets, business plans, customers, vendors, finances, personnel data, work product and other material or information considered proprietary and confidential by Seller as relating to the current or anticipated business or affairs of Seller which is disclosed directly or indirectly to Buyer. Buyer shall keep Confidential Information in confidence and shall neither use (other than in performance under this Contract) nor disclose such Confidential Information except as authorized in writing by Seller. On completion of this Contract (as appropriate), Buyer shall deliver to Seller or destroy to Seller’s satisfaction all material embodying Confidential Information, including all reproductions, unless otherwise instructed by Seller.

Confidential Information does not include, and Buyer shall not be liable for use or disclosure of any proprietary information (i) which Buyer lawfully knew without restriction on disclosure before Seller disclosed it to Buyer, (ii) which is now or becomes publicly known through no wrongful act or failure to act of Buyer, (iii) which Buyer developed independently without use of the Confidential Information, as evidenced by appropriate documentation, or (iv) which is lawfully furnished to Buyer by a third party as a matter of right and without restriction on disclosure. In addition, Buyer may disclose Confidential Information which is required to be disclosed pursuant to a requirement of a government agency or law so long as Buyer provides prompt notice to Seller of such requirement prior to disclosure.

Buyer agrees not to copy, alter or directly or indirectly disclose any Confidential Information. Additionally, Buyer agrees to limit its internal distribution of Confidential Information to Buyer’s employees who have a need to know, and to take steps to ensure that the dissemination is so limited, including the execution by Buyer’s employees of nondisclosure agreements with provisions substantially similar to those set forth in this Contract. In no event will Buyer use less than the degree of care and means that it uses to protect its own information of like kind, but not less than reasonable care to prevent the unauthorized use of Confidential Information.

Buyer further agrees not to use the Confidential Information except in the course of performing this Contract and will not use such Confidential Information for its own benefit or for the benefit of any third party. The mingling of the Confidential Information with information of Buyer shall not affect the confidential nature or ownership of the same. All Confidential Information is and shall remain the property of Seller. Upon Seller’s written request or the termination of this Contract, Buyer shall return, transfer or assign to Seller all Confidential Information, including all work product and all copies.

Under no circumstances shall any Party utilize an artificial intelligence technology (AI Technology) to review, analyze, interpret, store, process or catalogue any information including, but not limited to, the terms of this Agreement, information related to this Agreement, technical data, Proprietary/Confidential Information, business or customer information, provided under this Agreement. AI Technology includes, but is not limited to automated decision-making tools, Generative AI systems (e.g. ChatGPT, Bard, DeepSeek or other similar technologies), AI-powered analytics, monitoring, or recommendation systems, or AI-driven tools in communications or interactions. The violation of this clause shall result in immediate breach of this Agreement and the breaching party shall indemnify the non-breaching party for any and all claims, losses, and demands resulting from the breach.

10. **Intellectual Property.** Except as set forth in Section 8 above, Seller expressly retains ownership in all intellectual property associated with the Goods or Confidential Information exchanged under this Contract (“Seller Intellectual Property”). Seller Intellectual Property includes, but is not limited to, all patents, patent applications, patent disclosures, and inventions, Internet Domain names, trademarks, service marks, trade names, logos and corporate names, copyrights (registered or unregistered), mask works and registrations, computer software, data, databases, trade secrets and other confidential information (including ideas, formulas, developments, know how, manufacturing or production processes and techniques, research and development information, drawings, specifications, designs, plans, proposals, technical data, marketing plans, or customer and supplier lists), and any copies or embodiments of these items hereof. The Buyer shall not use Seller Intellectual Property, including Goods provided hereunder, for any other purpose, including, without limitation, (a) manufacture or enable manufacture by itself or any third party of the Seller’s products or parts thereof, products similar thereto, or products derived therefrom; (b) decompile, disassemble, decode, reproduce, redesign, or reverse engineer any samples, prototypes, software, products, equipment or other tangible objects or any part thereof provided hereunder; (c) perform any services relating to the Goods; (d) apply for any patents or copyright registrations containing the Seller Intellectual Property to design, manufacture, repair or overhaul the Seller’s Goods, or parts therefor, to reverse engineer such Goods, products or parts, to compare such Goods, products or parts to those other than Seller’s or to design Goods, products or parts similar to Seller’s, or to obtain FAA Parts Manufacturer Approval or other governmental approval to manufacture such Goods, products or parts, without Seller’s express prior written consent.

1. **Inspection & Acceptance.** Buyer shall have ten (10) days after delivery of the Goods to inspect and either accept or reject them. If the Goods are rejected, Buyer shall give written notice to Seller so that it will arrive no later than fifteen (15) days after delivery of the Goods. Such written notice of rejection shall fully specify all claimed defects and nonconformities, and Buyer may not claim any unstated defect or nonconformity. Buyer’s failure to give the requisite notice within the foregoing period shall constitute acceptance. Seller’s only obligation shall be either to correct any claimed defect in the Goods or, in its sole discretion, substitute other goods. Buyer shall not, under any circumstances, be entitled to reject the Goods if they conform in all respects to the Contract.

2. **Excusable Delays.** Seller shall be excused for delays in deliveries arising from causes outside its control, including, but not limited to:

- (i) acts of God, acts (including delay or failure to act) of any governmental authority, wars (declared or undeclared), acts of terrorism, riots, priorities, hijackings, fires, strikes, labor stoppages, sabotage, epidemics, quarantines and interruptions of essential services and supplies such as electricity, natural gas, fuels, and water, unforeseeable circumstances, or revocation of any government license, approvals or permits.
- (ii) inability to timely obtain from vendors or subcontractors necessary and proper labor, materials, components, facilities or transportation, when the vendor or subcontractor has experienced an excusable delay as described above in this paragraph and such items cannot reasonably be obtained from another source under the same or similar commercial terms.

3. **Cancellation.** The Contract may be canceled by Buyer only in the event that Seller is in material default thereunder and fails to cure the default within fifteen (15) days following the receipt by Seller of written notice thereof from Buyer.

4. **Limited Warranty.** Seller warrants the Goods to be free from defects in material and workmanship under normal use and service for a period of twelve (12) months after the date of delivery to Buyer's customer or eighteen (18) months after delivery to Buyer, whichever occurs first. Buyer's exclusive remedy and Seller's sole obligation under this limited warranty is limited to repairing or replacing, whichever Seller may deem proper, at Seller's factory any of the Goods which prove to be defective in material and workmanship. Buyer shall initiate, or cause to be initiated, any claim under this limited, confirmed, warranty by returning the affected Goods, prepaid, to Seller's factory, White Plains, New York for domestic shipments. International returned shipments shall be DDP (Incoterms 2020) to Seller's factory, White Plains, New York. Following inspection and repair or replacement as appropriate, Seller shall redeliver affected Goods EXW Seller's address for domestic shipments. International redelivered shipments shall be DDU (Incoterms 2020) Seller's address. **The foregoing Warranty is exclusive and in lieu of all other warranties, whether express or implied, including, without limitation, warranties of merchantability and fitness for a specific purpose.** Seller shall be relieved of all liability under this limited warranty if the Goods are misused, or not installed, used, serviced, and maintained in accordance with the written instructions of the airframe manufacturer, Seller, and the FAA or such other civil aviation authority as may have regulatory authority over use of the Goods, or the Goods shall have been repaired by Buyer or its customers or by someone other than Seller.

- (a) Repair Warranty. For Repaired Products: Twelve (12) months for the Repaired item. For Overhauled Products: Twelve (12) months for the entire Product following delivery for the Overhauled Product to the Buyer. The Price of Repairs and Overhauled Products will be based on a flat rate unless otherwise agreed. The report provided shall contain Reason for Return, Findings, and Actions Taken.

5. **Limitation of Liability.** To the extent that either party is subject to liability for any breach under the Contract, the liability of such party shall be limited to the actual and direct monetary damages caused by the breach. Nothing in this contract shall exclude or limit Seller's liability for death or personal injury caused by Seller's negligence or for any liability that cannot legally be excluded or limited.

EXCEPT AS STATED ABOVE, THE TOTAL AGGREGATE LIABILITY OF SELLER ARISING OUT OF OR IN CONNECTION WITH THE PERFORMANCE OF THE CONTRACT, WHETHER FOR NEGLIGENCE OR OTHERWISE, SHALL IN NO EVENT EXCEED THE PURCHASE PRICE OF THE GOODS GIVING RISE TO THE CLAIM PAID FOR BY THE BUYER UNDER THIS CONTRACT.

IN NO EVENT SHALL SELLER BE LIABLE FOR LOSS OF PROFIT, LOSS OF USE, LOSS OF BUSINESS, LOSS OF REVENUE OR FOR ANY INCIDENTAL, SPECIAL, INDIRECT, CONSEQUENTIAL LOSS OR DAMAGES, OR PUNITIVE OR EXEMPLARY DAMAGES, HOWSOEVER CAUSED.

These clauses set out the entire liability of Seller (including any liability for the acts or omissions of its sub-contractors) in respect of any breach of this contract or orders placed under it and any representation, statement or tortious act or omission including negligence arising under or in connection with the contract. All warranties, conditions and other terms implied by statute or common law are, to the fullest extent permitted by law, excluded from the contract.

6. **Severability.** If any provision of the Contract shall be deemed illegal or otherwise unenforceable, in whole or in part, that provision shall be enforced only to the extent legally permitted, and the remainder of the provision and the Contract shall remain in full force and effect.
7. **Applicable Law.** The parties hereby agree that the validity, interpretation, performance, and enforcement of the Contract and any dispute arising thereunder shall be governed by the laws of the State of New York. Any civil action brought pursuant to the Contract or arising out of any matter or business conducted under the Contract shall be brought exclusively in the Supreme Court of the State of New York, Westchester County, New York, or the United States District Court for the Southern District of New York, located at White Plains, New York, and both parties hereby consent to the jurisdiction of such courts. **THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL NOT BE GOVERNED BY THE PROVISIONS OF THE 1980 U.N. CONVENTION ON CONTRACTS FOR THE INTERNATIONAL SALE OF GOODS.**
8. **U.S. Government FAR/DFAR Requirements for Commercial Items.** The parties agree that unless otherwise specified, this Contract is for a commercial item. If this order is a Government funded order only the FAR clauses found in 52-244-6, in effect at the time of execution, are applicable to this Contract.
9. **Optional Arbitration for International Sales.**
 - (a) If Buyer's headquarters or principal base of operations is located in a country other than the U.S.A. or the Goods are for export, then at the election of either party, which shall be deemed waived if not exercised within seven days after service of process on such party in any court action arising under the Contract, any dispute, controversy or claim arising out of or relating to the Contract or the breach thereof shall be settled in accordance with the International Arbitration Rules (the "Rules") of the American Arbitration Association as then in force by one arbitrator. The International Centre for Dispute Resolution ("ICDR") shall administer the arbitration. Where there is conflict between the Rules and this arbitration paragraph, the provisions of this paragraph shall govern. If either party elects to have any matter settled under this paragraph, then resolution of such matter shall be conducted expeditiously, so that final settlement shall be accomplished in 120 days or less following receipt by a party of the electing party's notice of arbitration (the "Notice Date").
 - (b) Within a period of ten (10) days following the Notice Date, the parties shall appoint one arbitrator from a list of five attorneys selected on the basis of their experience in and knowledge about aviation and commercial transactions, which list shall be supplied by ICDR. If the parties fail to agree on the appointment of an arbitrator within the period provided for above, ICDR shall appoint an arbitrator from its panel of arbitrators at the request of either party. The arbitrator shall be responsible for management of the settlement process and shall cause timely scheduling of all events to assure settlement within the 120-day period required in subpart (a); provided, the arbitrator may extend the settlement period in the interests of justice, and failure to complete settlement within the scheduled period shall not constitute a basis for challenging the award. The arbitrator shall be jointly compensated by the parties at a rate determined by ICDR, and the parties shall share other costs of the proceedings equally, subject to the arbitrator's award of costs provided for in subpart (d). The arbitrator shall be neutral, independent and impartial and shall abide by the Canons of Ethics of the American Bar Association for neutral, independent arbitrators. The arbitrator shall be subject to disqualification if a party, before the appointment, asks for the views of the arbitrator or makes an ex parte disclosure of significant facts or themes of the dispute.

- (c) The arbitration, including the rendering of the award, shall take place in New York City, U.S.A., and the language to be used in the arbitral proceedings shall be English. The Contract and all disputes arising out of or related to the Contract, or the performance, enforcement, breach or termination of the Contract and any remedies relating thereto, shall be construed and determined in accordance with the laws of the State of New York.
- (d) The award of the arbitrator may be, alternatively or cumulatively, for monetary damages, an order requiring the performance of non-monetary obligations (including specific performance) or any other appropriate order or remedy, except that the arbitrator shall have no power to award punitive, non-compensatory or exemplary damages. Any award made in pursuance of this paragraph may include costs, including, but not limited to, the cost of the arbitrator and a reasonable allowance for attorneys' fees, and prejudgment interest at whatever rate the arbitrator may deem appropriate. Interest shall run on any award at such rate from the date of the award until payment in full. The arbitrator may issue interim awards and order any provisional measures which should be taken to preserve the respective rights of either party. The arbitrator shall not be required to supply the reasons on which the award was based.
- (e) Any award rendered by the arbitrator shall be payable in U.S. Dollars and, subject to either party's right to challenge the award as provided herein, shall be the final disposition on the merits. Judgment upon the award rendered may be entered by any court of competent jurisdiction, or application may be made to any such court for a judicial acceptance of the award and an order of enforcement, as the case may be. The parties shall have the right to challenge any interim or final award of the arbitrator solely
 - (i) on the grounds that the arbitration was not conducted in accordance with this paragraph and/or the Rules or
 - (ii) upon any of the grounds provided under Article V of the Convention on the Recognition and Enforcement of Foreign Arbitral Awards or under Article 5 of the Inter-American Convention on International Commercial Arbitration, as applicable. The parties otherwise waive their rights of appeal.
- (f) Without prejudice to the authority of the arbitrator hereunder, should either party seek a temporary restraining order, replevin, prejudgment attachment or preliminary injunctive or other extraordinary relief, the court shall retain jurisdiction to act.
- (g) The arbitrator shall have the power to determine the existence, validity or scope of the Contract and this arbitration paragraph itself. For the purposes of challenge to the arbitrator's jurisdiction, this arbitration paragraph shall be considered as separable from the Contract.
- (h) If either party fails to appear following notice of a hearing, the other party may proceed with an ex parte hearing.

10. Notices. All notices and other communications under, or in connection with, the Contract shall, unless otherwise stated, be given in writing by hand delivery, mail, overnight courier service, facsimile or email. The address, facsimile and email details for notices to each party are as set forth on the face of the purchase order hereof. Any such notice or other communication shall be deemed effectively given when received by the recipient (or if receipt is refused by the intended recipient, when so refused).

11. **Confidentiality**. Each of Seller and Buyer agrees that it will not, without the prior written consent of the other, disclose or permit to be disclosed the terms of sale of the Goods to any person or entity, except its counsel, financial advisors and auditors; provided, however, disclosure may be made as required by applicable law or governmental regulation, including pursuant to an order of any court or governmental agency having jurisdiction.
12. **Entire Contract**. These Terms and Conditions and the order, or accepted quotation, constitute the entire Contract which may not be changed other than by another writing agreed to and signed by both the Seller and the Buyer. It is further agreed that there are no understandings, agreements, or representations, express or implied, not specified herein respecting this Contract and Terms mentioned, and this instrument contains the entire agreement between the parties, and is binding on both parties.
